

SUMMER 2019 UNDERGRADUATE RESEARCH AWARDS
at
WESTERN UNIVERSITY
LONDON, ONTARIO
DEPARTMENT OF APPLIED MATHEMATICS

Applications are invited for Research Awards for the summer months of 2019 in the Department of Applied Mathematics, at the University of Western Ontario.

Supervision is available in a variety of areas related to existing research conducted by faculty members such as numerical and symbolic computation, mathematical biology, dynamical systems, and scientific computation. Applicants are not required to specify an area of interest.

This program will be run in cooperation with NSERC's Undergraduate Student Research Award program. The awards will be for four months during May -- August, 2019. Salaries will be a minimum of \$2,000 per month for 4 months, depending on circumstances. We will, in addition, provide a travel allowance in accordance with NSERC's Travel Allowance policy. The awards are subject to availability of funding and depend on the qualifications of the applicants. Each applicant should be an undergraduate student in a mathematical sciences program, and possess an A average.

In accordance with NSERC and Canadian Immigration regulations, this advertisement is directed to persons holding Canadian citizenship or permanent resident status.

The closing date for receipt of applications is January 10th, 2019. Only successful candidates will be contacted once awards have been made.

E-mail inquiries are welcome. Interested individuals should send a resume, a recent grade report, and an application for NSERC Undergraduate Student Research Award (must be completed and printed from NSERC's web site: <http://www.nserc.ca/>). Students from outside UWO must arrange to have two reference letters sent to:
